

**Q1: How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?**

Extremely likely,

Thinking about your response to this question, what is the main reason why you feel this way?  
staff are helpful

**Q1: How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?**

Extremely likely,

Thinking about your response to this question, what is the main reason why you feel this way?  
My GP treats me as an intelligent human being.
