Q1 How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

Likely,

Thinking about your response to this question, what is the main reason why you feel this way?:

good service but not always easy to get an appointment

Q1 How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

Neither likely nor unlikely

Thinking about your response to this question, what is the main reason why you feel this way?:

Ability to get appointments which I accept is nationwide and also feel that you get dismissed at times when you have a chronic condition and passed off to your consultant he is now more like my GP now and have to try and wait for next appointment which can be six months away
